

MARY, OUR MOTHER IN FAITH— FOR THE WHOLE WORLD!

Whether we live in New York or Nigeria, Indianapolis or India, we share a “mother”— our Blessed Mother Mary— who loves us and watches over us.

The Rosary is our special prayer to Mary. We can pray the World Mission Rosary and ask Mary to watch over children all over the world!

THE WORLD MISSION ROSARY:

Color each set of ten beads in the picture to make a world mission rosary!

Color **Yellow**—and think about Asia, where the sun rises first in the day.

Color **Red** for the Americas, where missionaries came on fire with great faith.

Leave **White** for our Holy Father, Pope Francis, who wears white.

Color **Blue** for the Pacific Islands, which are surrounded by the ocean waters.

Color **Green**— and think about Africa, with lots of trees and grass.

Fill in the single beads with one of each color (green, blue white, yellow, red).
